IN RE: Request of MCI Telecommunications Corporation for approval of revisions to its SCPSC Tariff No. 1 (Reference Tariff No. 90-32 - PrimeTime))	ORDER WITHDRAWING INTERVENTION, CANCELLING HEARING, APPROVING TARIFF, AND CLOSING DOCKET
---	---	--

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of a tariff filing by MCI Telecommunications Corporation (MCI) on March 2, 1990, which requested approval of revisions to its SCPSC Tariff No. 1. The purpose of the tariff was to introduce PrimeTime, an optional calling plan, as a new service offering to MCI Execunet customers in South Carolina. The filing was made in accordance with the Commission's procedures.

Thereafter, a Petition to Intervene was filed on behalf of Southern Bell Telephone & Telegraph Company (Southern Bell). A hearing was duly scheduled for Wednesday, July 11, 1990, at 10:30 a.m., in the Commission's Hearing Room.

On May 7, 1990, the Commission received a letter from Southern Bell stating that it had assurances from MCI that the proposed offering was for interLATA service only. Based upon MCI's assurances, Southern Bell requested that it be allowed to withdraw

its Petition to Intervene. Additionally, Southern Bell stated that wording changes in Section C-2 of MCI's SCPSC Tariff No. 1, First Revised Page No. 22.1 to reflect the limited interLATA scope of the proposed PrimeTime offering. The Commission finds that Southern Bell should be allowed to withdraw its Petition to Intervene.

In light of the above, the Commission has determined that the previously scheduled hearing should be cancelled. Additionally, the proposed tariff of MCI should be approved with the appropriate changes concerning the interLATA restrictions of the offering to be made before the service is offered in South Carolina. The Commission hereby approves the "PrimeTime" offering of MCI with the necessary changes and hereby closes the instant Docket.

IT IS SO ORDERED.
